

Individual genetic profile

Reference base INGX-2017

Animal name COWPORATION OI Animal number NL898402568 Sex (M/F) M Birth date 01/09/2018

The samples were collected under the responsibility of :

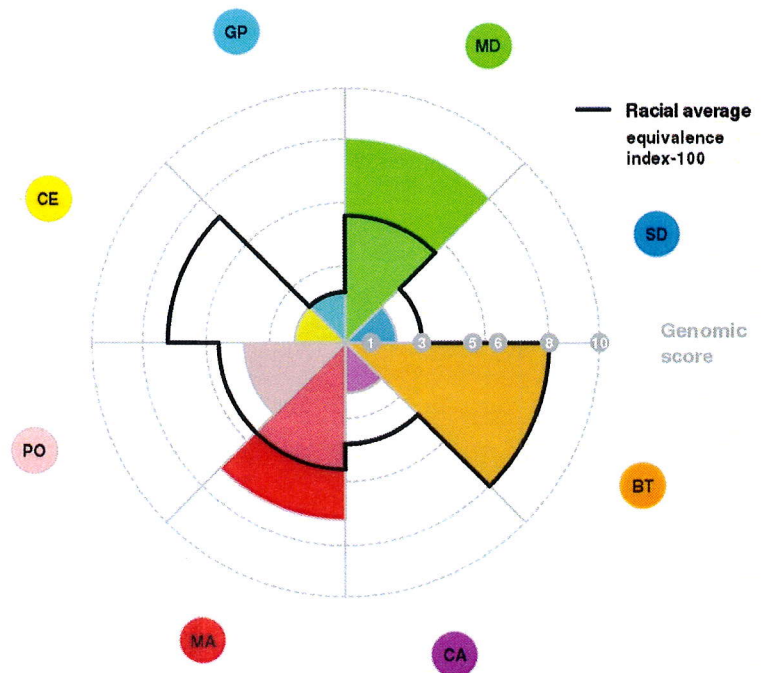

breeder or applicant X an accredited sampler approval number IDPE

Sire : Dam : Double muscling : porteur hétéro
Horn polled : non testé

Score génomique

Trait	Score
Calving Ease (CE)	2
Growth potential (GP)	2
Muscular development (MD)	8
Skeletal development (SD)	2
Bone thickness (BT)	8
Direct calving ease (DCE)	2
Milking ability (MA)	7
Pelvic opening (PO)	4

1 : non improving
10 : excellent

Udder morphology
